

SMALL HOPE Bay Lodge

Small Hope Bay Lodge has 21 beachfront cottages, located a few steps from the water's edge. Each is shaded by palms and cooled by ceiling fans and ocean breezes. Most of the cabins have air-conditioning on request. A central lodge houses a dining room, bar and lounge, as well as a reading room and games room. Most meals are served al fresco on our outdoor patio overlooking the water. Families with children are easily accommodated with special rates, two-bedroom cottages, and special dining arrangements for young children.

How to get here . . .

We may be slightly off the beaten path, but that's a big part of our appeal. Getting here is just a quick one-hour flight from Fort Lauderdale or a 12-minute air hop from Nassau. There are regularly scheduled flights from both! If you're staying in Nassau on either end of your trip, you can even take a ferry to or from Andros, if you prefer.

And there's no need to look for a taxi once you land on Andros - there are always taxis right there - and it's just a ten-minute drive from the airport (Andros Town airport is also known as Fresh Creek Airport) to Small Hope Bay.
